FOR IMMEDIATE RELEASE

MartinCSI Named Control System Integrators Association's 2015 Integrator Member of the Year

Plain City, Ohio (October 2, 2015) – MartinCSI was recently awarded the Control System Integrators Association's (CSIA) **2015 Integrator Member of the Year** at the annual CSIA Executive Conference in Washington D.C.

This is the first year that CSIA presented the Integrator Member of the Year award. The award recognizes an Integrator Member that has participated significantly in the advancement of the association and profession. This is one of only four awards given out at the annual CSIA Executive Conference.

The conference welcomed over 500 attendees including international guests. Joe Martin, President of MartinCSI, was in attendance to receive this distinguished award. Martin commented, "MartinCSI recognizes the importance of CSIA and its commitment to maintaining the professionalism of our industry. This award was made possible by our rock-solid management team taking care of our customers and our employees. We are honored to receive this award and thank our peers for acknowledging our efforts."

The Integrator Member of the Year award recognizes an Integrator Member that has participated significantly in the advancement of the association and profession. To be nominated for the CSIA Integrator Member of the Year, a fellow peer within the CSIA community is required to submit the company's name and an explanation as to why the company is deserving of the award. MartinCSI's nominator said, "Joe has contributed countless hours serving CSIA in various positions as a member of the board and serving on various committees, often as chair. Joe's company has been CSIA certified many times."
